This is the second request for an extension of this deadline. Additional time is
needed because Plaintiff's counsel learned on January 6, 2016, that Region 28 of the
National Labor Relations Board ("NLRB") had mistakenly mailed evidence requests in
three matters being handled by him to the wrong firm. This forced Plaintiff's counsel to
immediately address the lengthy requests issued by the NLRB, which he will not be
able to complete until early in the week of January 11, 2016.
Because the first request for an extension of time to respond to Defendants
motion was only for one week and this request is only for an additional week, Plaintiff
is clearly not making such request for the purpose of delay.
